

Inspiring Our Main Streets

South Gippsland Shire Council would like to invite all members of the business community to attend a workshop that encourages innovation not only in business but in the public space.

The free event will be held on 18 May 2018 from 10.00am to 4.00pm at the Wildflower Café, Federation Training, 130 Nerrena Road, Leongatha with a light lunch included.

The session will be run by the founder of The Village Well, Gilbert Rochecouste, an internationally recognised speaker and facilitator. Gilbert has worked with many communities over the past 25 years; crafting a powerful integrated approach to creating vibrant, resilient and loved places.

The workshop will:

- assist businesses and communities with developing 'quick wins' - smart, achievable actions to engage spaces
- provide opportunity to work with like-minded businesses in gathering ideas
- support the growth of great streets, places and communities

South Gippsland Shire Council's Manger of Economic Development and Tourism, Renae Littlejohn is encouraging local businesses come along.

"Council is excited to invite Gilbert from The Village Well to facilitate the workshop which will inspire South Gippsland with new and creative ways to energise our main streets.

"We welcome individual businesses and business and tourism groups to attend this dynamic and interactive workshop" said Ms Littlejohn.
